Loco Train Cleaner: A highly concentrated exterior cleaner that removes even the toughest diesel soot and grime from the trains. Easily penetrates baked on grime and emulsifies it allowing it to be rinsed away with water. Loco Train Cleaner can be used on locomotive and rail cars. Highly concentrated, Loco Train Cleaner can be diluted up to 60 to 1 with water depending on dirt to be cleaned. Product can be used by hand or through pressure washing and automatic washing machines. Loco Train Cleaner does not contain any Caustic, Acid or Solvent ingredients. It is safe and effective for the user, train and environment. Product is biodegradable and contains Zero VOC's.

Bacto Ban: Bacto Ban is a concentrated disinfectant detergent registered with the U.S. Environmental Protection Agency. Bacto Ban is the perfect product for cleaning and sanitizing bathrooms, floors, and other areas of the train. Highly concentrated. Dilute Bacto Ban 64 to 1 with water to use as a sanitizing agent for toilets, floors, vinyl and leather seats, plastic tables, etc. Bacto Ban kills 99% of germs and viruses, including avian flu, AIDS and SARS. Excellent for cleaning blood, vomit and other bodily fluids. Bacto Ban can be used as the one cleaner for the entire interior with the added benefit of sanitizing as it cleans.

Low pH Train Wash: This is a mildly acidic train wash used to remove rust from the surface of the train. Using Train Acid Wash on a regular basis helps keeps metal surfaces rust free. Contains mild acids and corrosion inhibitors. Concentrated product. Use at 40 to 1 to as a pre wash to penetrate and dissolve rust.

Fabric Guard: A fabric and carpet treatment that repels against both water-based and oil-based stains. Fabric Guard actually penetrates and cures onto the fibers creating a protective coating that repels dirt, grime and spills from coffee, tea, kool-aid, petroleum and vegetable oil. Fabrics clean in a snap with just a simple wipe with a damp cloth. Works on both natural and synthetic fibers. Fabric Guard is a water-based formula with zero VOC's.

Leather Treat: This is the ultimate cream conditioner for all leather surfaces. Leather Treat penetrates the leather and restores suppleness to the leather with rich emollients. Leather Treat keeps leather from drying out and cracking due to UV light and harsh weather conditions. Leather Treat is a mild cleaner and will remove light grease and grime, then penetrate and condition the leather, keeping it looking new.

Window Sheen: Hands down, the best glass cleaner on the market. Window Sheen is highly concentrated. Dilute up to 9:1 to achieve desired strength. When used at 4:1, Window Sheen easily removes the toughest residue from glass including plasticizer build-up from plastic components. Just spray and wipe with a clean, micro-fiber towel. Your windows will come out sparkling clean - without streaks - guaranteed.
