#### Product Description:

Our most popular All Purpose Cleaner. The one product that does everything. Performance and safety work together to give customers an outstanding cleaner. Klenzol uses a combination of water miscible solvents and surfactants to effectively clean all types of dirt, grease and grime from all types of surfaces.

At higher concentrations, use Klenzol for cleaning engines, rim, tires, white walls and pre-spotting carpets before shampooing.

Dilute up to 20:1 to clean vinyl, leather, carpets and other interior surfaces.

Dilute up to 50:1 to use as a spray and wipe cleaner for restaurant tables, wrestling mats, painted walls, etc.

It is also great for use in mechanized floor cleaning machines. Suggestion dilution 20:1

- ◆ Engines 1 to 1
