Product Description:

Showroom Finish is the best instant detailer available. It's easy to use, creates a great finish and has multiple uses.

Use Showroom Finish as a spray & wipe instant detailer to remove dust, finger prints, smudges, etc. from paint. Perfect for use in showrooms, car shows and for motorcycles.

Use as a clay lubricant. Just spray a little Showroom Finish on the surface and clay slides easily while removing contaminants. Showroom Finish does not contain detergents or solvents that will attack clay.

Showroom Finish leaves a just waxed shine. After washing a vehicle, rinse with water, then spray a light mist of Showroom Finish on the vehicle as you dry it with a microfiber towel or chamois. The car will look like it has been waxed. It will have a shiny, slick finish that beads water for weeks.

Showroom Finish is solvent free. It does not contain any VOCs and does not contain any HAPs. It is environmentally friendly and safe for the user.
