### Product Description:

Safe-T-Gard is a powerful, EPA registered disinfectant and cleaner. (EPA registration number 1839-220-97176) It is intended for use in ambulances, physician's offices, transportation terminals, households, EMS and fire facilities, gyms, animal hospitals, animal transportation vehicles, mortuaries, athletic facilities, schools, kennels, and airports.

It is perfect for dealership service drives and car rental agencies. It sanitizes / disinfects all surfaces of a vehicle.

Safe-T-Gard kills the virus that causes Covid-19 on hard non porous surfaces in just 30 seconds! Other products can require 5 - 10 minutes to make the same claim.

Use to clean, disinfect, and deodorize hard, non-porous surfaces, such as stainless steel, glass, plastic, formica, glazed granite and sealed granite.

It is also great for use on soft surfaces such as couches, fabrics, seat and/or soft cushions and upholstery. It kills microorganisms on beddings, (blankets, chairs, couches, curtains, gym bags, headrests, linens, and mattresses).

It can be used to sanitize and deodorize movie theater seats, hotel mattresses, gym mats, and rental cars., RVs, motor homes, aircraft, & boats.
